SECTION 1

DELTA DENTAL CERTIFICATE

Delta Dental (referred to as “Us”, “We”, or “Our”) issues this Certificate to You as the Subscriber (referred to as “You”, “Your”, or “Yourself”). This Certificate is part of the group Contract that is a legal document between Delta Dental and Your Group Sponsor to provide Benefits subject to the terms, conditions, exclusions and limitations described in this Certificate.

On its effective date, this Certificate replaces any certificate that Delta Dental may have previously issued to You. This Certificate will in turn be replaced by any certificate we issue to You in the future.

Your coverage under this Certificate begins at 12:01 a.m. standard central time zone on the effective date determined by Your Group Sponsor and Delta Dental in the Contract. Coverage will end at 12:00 midnight standard central time zone on the date set out in Section 6.3. Delta Dental will continue Your coverage unless and until Your Group Sponsor or Delta Dental terminates it for any of the reasons described in this Certificate. Your Group Sponsor and Delta Dental determine Your eligibility for Benefits under this Certificate.

Delta Dental is delivering the Contract and this Certificate in the State of Arkansas. The Contract and this Certificate are governed by ERISA unless the Group Sponsor is not an employee welfare benefit plan as defined by ERISA. To the extent that state law applies, the laws of the State of Arkansas shall govern the Contract and this Certificate.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, You should read the entire Certificate to get a full understanding of Your coverage.

Certain words in this Certificate are capitalized and have special meaning and, unless defined elsewhere, are defined in Section 11, “Definitions”.

SECTION 2

HOW THE PLAN WORKS

2.1 Selecting a Provider

You may seek services from any Provider You choose.

However, You may receive a higher level of Benefits by seeking care from a Participating Provider.

2.1.1. How do I select a Dental Provider?

The easiest and most accurate listing of Participating Providers is on Our website. Log into the Delta Dental Consumer Toolkit and then click on the Provider Directory link. Once at the web page, select the “Dental” icon and enter Your zip code. From the “Network Selection” menu choose the network selected by your Group Sponsor as noted on your Schedule of Benefits. By entering the information requested, We will provide You with a list of Participating Providers in Your area. You can also get this information by calling Delta Dental at 1-800-462-5410.

2.2 Accessing Your Benefits

QUICK BITES

Use our Consumer Toolkit to:

1. Verify your eligibility and benefits
2. Check status of claims
3. Print claims forms
4. Print ID cards
5. Search for a dentist

Signup at deltadentalar.com

To utilize Your dental benefits, follow these steps: Please read this Certificate and the Schedule of Benefits carefully so You are familiar with Your Benefits, payment methods, and terms of Your Group Health Plan.

You can easily verify Your own Benefits, Claims and eligibility information online 24 hours a day, seven days a week by visiting www.DeltaDentalAR.com and selecting the link for Our Consumer Toolkit. The Consumer Toolkit will also allow You to print claim forms and ID cards, select paperless explanation of benefits, search Our Provider directories, and read health and wellness tips.

Make an appointment with Your Provider and tell him or her that You have dental benefits with Delta Dental. If Your Provider is not familiar with Delta Dental or has any questions, have him or her contact Delta Dental by writing to Delta Dental, Attention: Customer Service, P.O. Box 15695, Little Rock, AR 72231 or calling Delta Dental at 1-800-462-5410.

After You receive treatment from Your Provider, You, Your Provider, or Your authorized representative will need to file a claim form, as outlined in Section 2.3 below.

2.3 The Claims Process

Claims must be filed by You, Your Provider, or Your authorized representative with Delta Dental within twelve (12) months after completion of treatment for Benefits that are payable. Any Claim filed after this time period will be denied.

Delta Dental has complete discretion to interpret the terms of the Benefits under this Certificate and Our interpretation shall be final and conclusive.

Participating Providers will complete and submit claim forms for You at no charge. Participating Providers may ask Participants to fill out the patient section of the claim form, which includes Your name, social security number (SSN), and address; the Participant's name, date of birth, and relationship to You; and coordination of Benefits information, if applicable.

If You visit a Non-Participating Provider, You may be required to complete the claim form or pay a service charge. The patient section should be completed, which includes Your name, SSN, and address; the Participant's name, date of birth, and relationship to You, and coordination of Benefits information, if applicable.

You will also be responsible for ensuring the Non-Participating Provider completes the Provider and the diagnostic sections of the claim form.

THE PROVIDER SECTION

The Provider section includes the Provider's name, address, SSN or TIN number, license number, and phone number. The Provider must also indicate whether x-rays are attached and answer questions regarding treatment that is the result of an accident.

The Provider must also indicate if dentures, bridges, and crowns are replacements, and if so, the

date of prior placement and reason for replacement must be noted.

THE DIAGNOSTIC SECTION

The diagnostic section includes a description of services performed and the corresponding ADA procedure code, including date of service, and fee for service and if applicable, tooth number or letter and tooth surface. For any unusual services, the remarks section of the Claim form must give a brief description. The Claim form needs to be signed by the Provider who performed the services and by You or Covered Dependent.

If Your Provider does not file Your Claim, You can obtain a Claim form from the Provider's office, by visiting www.DeltaDentalAR.com, or calling Delta Dental at 1-800-462-5410.

2.4 Pre-Treatment Estimate

A Pre-Treatment Estimate is an opinion from Delta Dental that is made prior to services being provided to You which estimates the amount that Delta Dental will pay for the services submitted by You or Your Provider to Delta Dental. It does not guarantee such payment in that actual payment, if any, also depends on applicable coverage being in effect at the time any such services were rendered. The payment may also be subject to deductible, co-payment, co-insurance, and maximum benefits allowed.

A Pre-Treatment Estimate is not required to receive payment, but it allows Claims to be processed more efficiently and allows You to know the extent to which services may be covered before Your Provider provides them. You and Your Provider should review Your Pre-Treatment Estimate notice before treatment begins.

Because the amount of Your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all Claims under this Certificate are post-service Claims. This also means that Pre-Treatment Estimates cannot be appealed, but You may resubmit Your Pre-Treatment Estimate with additional information to support the requested services.

Once the treatment has been performed, You or Your Provider may submit the Claim to Delta Dental for a benefit determination. All Claims for Benefits must be filed with Delta Dental within one year of the date the services were completed.

2.5 Processing the Claim

Upon receipt of the Claim, Delta Dental will process it according to the terms of this Certificate.

If You visit a Participating Provider, notification of the Benefit determination will be sent to You in the form of an explanation of benefits, which details by service rendered what the Contract allowed and Your obligation, if any. If You visit a Non-Participating Provider, the explanation of benefits will also include a check for Benefits, if any, made payable to You.

You will be notified within thirty (30) days of the receipt of the Claim of the Benefit determination.

If Delta Dental denies all or a portion of the Claim, You will receive an explanation of benefits indicating the reason for the denial.

In the case of an Urgent Care Claim, You will be notified within seventy-two (72) hours from the time the Claim is received by Delta Dental of the Benefit determination.

If additional information is needed by Delta Dental in order to make a Benefit determination, then an information request will be sent to You and the Provider. The information request will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to make the Benefit determination, and (d) inform You or Your Provider that the information must be received within 45 days or Your Claim will be denied. You will receive a copy of any notice sent to Your Provider. Once Delta Dental receives the requested information, it has 15 days to make a Benefit determination. If You or Your Provider does not supply the requested information, Delta Dental will deny Your Claim.

2.6 Authorized Representative

You may appoint an authorized representative to deal with Delta Dental on Your behalf with respect to any Claim You file or any appeal of a denied Claim You wish to pursue (see the Claims Appeal Procedure section). You should contact your Group Sponsor's Human Resources department, call Delta Dental, toll-free at 1-800-462-5410, or write Delta Dental at P.O. Box 15969, Little Rock AR 72231, to request a form to designate the person You wish to appoint as Your representative.

2.7 How Payment is Determined

Network Benefits

If Your Provider is a Participating Provider, Delta Dental

will base its payment on the Maximum Plan Allowance for Covered Services.

Delta Dental will send payment directly to the Participating Provider and You will be responsible for any applicable deductibles, co-payments or co-insurance and maximum Benefits allowed. For non-Covered Services, You will be responsible for the Provider's submitted amount.

Non-Network Benefits

If Your Provider is a Non-Participating Provider, Delta Dental will base payment on Delta Dental's Non-Participating Provider fee for Covered Services.

Out-of-Country Benefits

If your Provider is an out-of-country Provider, Delta Dental will base payment on Delta Dental's out-of-country Provider fee for Covered Services.

For Covered Services rendered by a Non-Participating Provider or out-of-country Provider, Delta Dental will usually send payment to You, and You will be responsible for making full payment to the Provider. You will be responsible for any difference between Delta Dental's payment and the Provider's submitted amount.

2.8 Optional Services

a) Services that are more expensive than the treatment usually provided under accepted dental practice standards are called optional services. Optional services also include the use of specialized techniques instead of standard procedures. Benefits for optional services will be based on and paid the same as the standard service. You will be responsible for the remainder of the Provider's fee.

b) Payment made by Delta Dental for any surgical services will include charges for routine, post-operative evaluations or visits.

c) If You transfer from one Provider to another during the course of treatment, Benefits will be limited to the amount that would have been paid if one Provider rendered the services.

2.9 Questions and Answers

An individual may not be covered under this Certificate as both a Subscriber and a Covered Dependent. Also, an individual may not be considered an Eligible Dependent of more than one Subscriber.

Coverage for Your Eligible Dependents will start as described in Section 6.3 below.

Your Eligible Dependents include:

1. Your legally married spouse (not legally separated).
2. Your children under the limiting age specified in the Contract.
3. Your children who have reached the end of the Calendar Year of their nineteenth (19) birthday, but who were at that time (and continue to be) totally and permanently disabled by a physical or mental condition. Those children must also be eligible to be claimed by You or Your legal spouse as dependents under the U. S. Internal Revenue Code during the current Calendar Year. If Delta Dental asks You to do so, you must submit medical reports confirming the child's initial or continuing total disability.
4. A child of your child who is your dependent for federal income tax purposes at the time application for coverage of the child is made.

The term "child" means a/an: a) Natural born child, b) Stepchild, c) Adopted child, d) Child for whom the Eligible Employee is the legal guardian, or e) Child for whom the Eligible Employee is legally required to provide coverage.

You may be required to provide Delta Dental with written evidence of the child's full time student status.

6.3 When Does Coverage Start

In order for Your coverage to take effect, You must submit an enrollment form for coverage for Yourself and Your Eligible Dependents. It is important that Your enrollment form is received by Delta Dental in a timely manner. Your coverage begins upon the effective date of this Certificate as determined by your Group Health Plan. You should contact your Group Sponsor for information concerning Your eligibility requirements and effective date.

If You apply for coverage and pay any required premium for Yourself and Your Eligible Dependents, Your coverage will be effective in accordance with one of the following:

1. If You are eligible on the effective date of Your Group Health Plan's Contract and Your enrollment form is received by Delta Dental prior to or within 31 days following such date, Your coverage will become effective on the effective date.

Court-ordered Coverage: If You divorce, legally separate, or annul Your marriage, Your spouse's coverage automatically terminates on the date of the divorce, legal separation, or annulment. A court order requiring You to provide coverage for the former spouse does not change the termination of coverage. However, see Section 9 for information about how Your former spouse can elect to continue coverage.

6.5 Enrollment Application/Change Form

You may obtain an Enrollment Application or Change Form from Your Group Sponsor, by calling Delta Dental at 1-800-462-5410, or by visiting Delta Dental's website at www.dentaldentalar.com. After You have completed the application or form, return it to Your Group Sponsor.

SECTION 7

COORDINATION OF BENEFITS

7.1 When Coordination of Benefits Applies

Coordination of Benefits ("COB") applies to this Certificate when a Participant has benefits under more than one plan. The objective of COB is to eliminate duplication of

payment for services. COB rules establish whether this Certificate's Benefits are determined before or after another plan's benefits.

You must submit your bills to the primary plan first. The primary plan must pay its full benefits as if You had no other coverage. If the primary plan denies Your claim or does not pay the full bill, You may then submit the remainder of the bill to the secondary plan.

7.2 Which Plan Pays First?

To decide which plan is primary, Delta Dental will consider both the COB provisions of the other plan and the relationship of the Participant to You, as well as other factors. The primary plan is determined by the first of the following rules that applies:

1. Non-coordinating Plan

If the Participant has another plan that does not coordinate benefits, it will always be primary.

2. Employee or Subscriber

The plan that covers the Participant as an employee is primary.

3. Children (Parents Divorced or Separated)

If a court decree makes one parent responsible for health care expenses, that parent's plan is primary.

If a court decree states that the parents have joint custody without stating that one of the parents is responsible for the child's health care expenses, Delta Dental follows the birthday rule (see rule 4 below).

If neither of these rules applies, the order will be determined as follows:

- First, the plan of the parent with custody of the child;
- Then, the plan of the spouse of the parent with custody of the child;
- Next, the plan of the parent without custody of the child; and
- Last, the plan of the spouse of the parent without custody of the child.

4. Children and the Birthday Rule

The plan of the parent whose birthday is earliest in the Calendar Year is always primary for children. For example, if Your birthday is in

January and Your spouse's birthday is in March, Your plan will be primary for all of Your Children. If both parents have the same birthday, the plan that has covered the parent for the longer period will be primary.

5. Laid Off or Retired Employees

The plan that covers You as a laid off or retired employee or as a dependent of a laid off or retired employee is primary.

6. COBRA Coverage

The plan that is provided under a right of continuation pursuant to federal law is primary.

7. Other Plans

If none of the rules above determines the order of benefits, the plan that has covered the employee for the longer period will be primary.

If the other plan does not have Rule 5 and/or Rule 6 (above) and decides the order of benefits differently from this Certificate, Delta Dental may ignore either of those rules.

In the event that these rules do not determine how Delta Dental should coordinate benefits with another plan, Delta Dental will follow its internal policies and procedures, unless prohibited by applicable law.

7.3 How Delta Dental Pays as Primary Plan

When Delta Dental is the primary plan, it will pay Benefits as if the Participant had no other coverage.

7.4 How Delta Dental Pays as Secondary Plan

When Delta Dental is the secondary plan, it will pay Benefits based on the amount left after the primary plan has paid. It will not pay more than that amount, and it will not pay more than it would have paid as the primary plan. However, Delta Dental may pay less than it would have paid as the primary plan.

When Benefits are reduced as described above, each Benefit is reduced in proportion. Benefits are then charged against any applicable benefit limit of the Group Health Plan.

7.5 Right to Receive and Release Needed Information

Delta Dental needs certain facts to apply these COB rules, and it has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. Delta Dental need not tell or get

the consent of any person to do this. Each person claiming Benefits under this Certificate must give Delta Dental any facts it needs to process the Claim.

7.6 Facility of Payment

A payment made under another plan may include an amount that should have been paid under this Certificate. If it does, Delta Dental may pay that amount to the organization that made the payment.

That amount will then be treated as though it were a Benefit paid under this Certificate, and Delta Dental will not have to pay that amount again. The term "payment made" includes providing Benefits in the form of services, in which case "payment made" means reasonable cash value of the Benefits provided in the form of services.

SECTION 8 WHEN COVERAGE ENDS

Coverage under Your plan can end for a variety of reasons. You will find below details on how, why, and when Your coverage or coverage of Your dependents will end.

8.1 When Your Coverage Ends

1. Immediately when You voluntarily stop Your coverage;
2. Immediately when You are no longer eligible for coverage;
3. Immediately when You do not make any required contributions for Your coverage as required by the Group Sponsor.
4. If You stop working for the Group Sponsor for any reason, including a job elimination or being placed on severance, Your coverage will end on the last day of the month in which You stop working, unless you qualify for and pay for COBRA which is further described in Section 9.
5. When the Contract between Delta Dental and the Group Sponsor is terminated.
6. If Your Group Sponsor fails to pay the Premium, Your coverage will end on the first day of the month for which Delta Dental did not receive payment.
7. Immediately when You exhaust Your overall maximum lifetime benefit under Your Plan, if Your Plan has a maximum benefit.

It is the Group Sponsor's responsibility to let Delta Dental know when Your employment ends. The limits above may be extended only if Delta Dental and the Group Sponsor agree, in writing, to extend them.

8.2 When Covered Dependent's Coverage Ends

1. Your Covered Dependent's coverage ends when Your own coverage ends for any reason listed above, unless they are eligible to and in fact elect to continue coverage under COBRA which is further described in Section 9.
2. Your Covered Dependent's coverage ends when they no longer meet the definition of an Eligible Dependent effective at the end of the calendar month when Your Covered Dependent no longer meets the requirements under the Contract to be a Covered Dependent.
3. Immediately when You do not make Your contribution for the cost of dependent coverage.

If these events occur, then You and/or Your Covered Dependents may be eligible for continuation of coverage under COBRA as described in Section 9 of this Certificate.

SECTION 9 CONTINUATION OF COVERAGE

If Your Group Sponsor is subject to COBRA requirements, continuation of coverage is governed by the Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requirements. With COBRA, You and Your Covered Dependents can continue health coverage, subject to certain conditions and Your payment of premium to the Group Sponsor. Continuation coverage rights are available after a "qualifying event" that would cause You or Your Covered Dependents to otherwise lose coverage.

When You and/or Your Covered Dependents become eligible for coverage under COBRA because of a qualifying event, the Group Sponsor will provide You with detailed information on continuing coverage through COBRA.

If You have questions about COBRA continuation coverage for You and/or Your Covered Dependents, including election of coverage, payment of premium, and when it ends, please contact the Group Sponsor.

13. **Loss of Eligibility During Treatment.** If a Participant loses eligibility while receiving treatment, only Covered Services received while that person was covered under this Certificate will be payable. Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is Your responsibility.
14. **Force Majeure.** Neither Delta Dental (including its agents, directors, officer, and employees) nor Group Sponsor shall be liable for delays in performance due to circumstances beyond their reasonable control. Each party shall be excused from performance under this Certificate and shall have no liability to the other party for any period during which it is prevented from performing any of its obligations (other than payment obligations), in whole or in part, as a result of delays caused by the other party or by an act of God, war, terrorism, civil unrest, civil disturbance, court order, labor dispute, or other cause beyond its reasonable control, including failures or fluctuations in electrical power, heat, light, or telecommunications, and such nonperformance shall not be a default under or grounds for termination of this Certificate. In the event Group Sponsor is unable to make payment due to circumstances beyond its reasonable control as identified in this Force Majeure section, Delta Dental will accept delayed payment from Group Sponsor within a reasonable period of time which shall not exceed thirty (30) days.
15. **Governing Law.** This Certificate, any rights and obligations under this Certificate, and any claims or disputes relating thereto, shall be governed by and construed in accordance with Federal and Arkansas law. The Contract and this Certificate
